American Journal of Public Health
Index to Volume 83, January 1993 to December 1993

Author Index
The author index provides a full article citation with the alphabetical entry of the name of the first author; subsequent authors are also given an alphabetical entry together with a referral to the full entry under the first author's name. The index includes authors of Letters to the Editor.

Subject Index
The alphabetical subject index lists every article title under appropriate topical headings, which are based on MeSH terms (the Medical Subject Headings used by the National Library of Medicine).

Information related to Association activities are listed under Association News. Editorials, Annotations, Commentaries, pieces for the Public Health Policy Forum, Public Health Then and Now, Health Law and Ethics, Notes from the Field, and Letters to the Editor are listed alphabetically by title under these section headings as well as under applicable subject headings.

Article Codes
One or two letters connected by hyphen to the page number indicate the category of the published piece as follows: Annotation–n; Article–a; Association News–an; Brief–b; Commentary–c; Editorial–e; Erratum–er; Health Law and Ethics–h; Keynote Address–k; Letters to the Editor–l; Notes from the Field–nf; Obituary–o; Policy Forum (article)–f; Policy Forum Commentary–fc; Policy Forum Editorial–fe; Public Health Then and Now (article)–p; Public Health Then and Now Editorial–pe; Presidential Address–pa; Supplement–suppl.

Issue Pagination
The issues for the volume year fall as follows: *January*, pp 1–160; *February*, 161–304; *March*, 305–480; *April*, 481–624; *May*, 625–784; *June*, 785–928; *July*, 929–1072; *August*, 1073–1192; *September*, 1193–1368; *October*, 1369–1512; *November*, 1513–1656; *December*, 1657–1848.
